REGARDING OUR FONE CON AND GAK WIRE OF JUNE 14 CONCERNING  
MOVEMENT OF EMPTIES BENX CARS FOR BENNETT LBR CO PRINCETON IDA.  
DICK BENNETT IS VERY DISTURBED OVER THE LAST DAYS OF HIS  
EQUIPMENT. AND HE WANTS TO KNOW WHY HIS EQUIPMENT LAYS AT  
HARLOWTON. HE ALSO POINTED OUT THAT ON JUNE 5 HE RECEIVED 24  
EMPTY CARS ON ONE DAY. I CHECKED AT ST. MARIES. AND JUNE 4 WE  
HAD 9 KDTX CARS AND 12 BENX CARS OUT THE TRAIN TO BOVILL  
IS THERE SOMETHING THAT CAN BE DONE TO SEE THAT THESE CARS ARE  
MOVED ON A MORE REGULAR BASIS, AS DICK SAYS, FOR EVERYDAY HIS  
BENXS CARS LAY AROUND IT COST HIM \$10.00 PER CAR.
