Nos. 5 and 101 must not exceed maximum speed of 100 miles per hour. Other passenger trains with passenger engines must not exceed maximum speed of 90 miles per hour. Maximum speed for F-8 engines is 75 miles per hour except for Nos. 5 and 101 and sections thereof.

Two main tracks are in use between River Junction and Hastings. This time-table confers no authority between La Crosse and River Junction. The conductor and engineer of each train or engine must each have a La Crosse Bridge train order card properly filled out and signed by the operator in charge or a train order governing the movement. This time-table confers no authority between St. Croix Tower and St. Paul, C. M. St. P. & P. and C. B. & Q. Joint time-table and rules govern. Automatic Cab Signal System is in use between River Junction and Hastings. Automatic Block System is in use between Bridge Switch and St. Croix Tower. At River Junction, the speed restriction of 25 miles per hour for westward trains through the interlocking is cancelled. At River Junction, the turnout at end of two main tracks is laid with long frog through which a speed of 50 miles per hour is permissible.

No. 55 will stop at Dresbach, Lamolille, Homer, Stroms Crossing and Samuelsons Crossing on signal for passengers only. No. 57 does not carry passengers. Tickets for Langdon from Hastings and points east will be honored via Newport on No. 55 and No. 58. Tickets from Langdon for points west of Hastings will be honored via Hastings. Tickets from Eggleston and Ector for Hastings and points west will be honored via Red Wing. Tickets from Red Wing and points east for Eggleston and Ector will be honored via Hastings.

Nos. 100 and 8 must not exceed maximum speed of 100 miles per hour. Other passenger trains with passenger engines must not exceed maximum speed of 90 miles per hour. Maximum speed for F-8 engines is 75 miles per hour except for Nos. 100 and 8 and sections thereof. Freight trains must not exceed maximum speed of 60 miles per hour.

Eastward trains need not obtain Clearance Form A at St. Croix Tower unless the train order signal displays a Stop indication. No. 16 will stop at Hastings, Lake City and Wabasha to let off revenue passengers from Moberly and west. Eggleston, Etter and Langdon on Eastward main track only. No telegraph office at these points. Car capacity of tracks: Eggleston 16, Etter 22, Langdon 14.

No. 100 will stop at Red Wing to pick up revenue passengers for La Crosse and beyond. No. 58 will stop at Reads Landing when necessary to put off or take on parcel post. No. 16 will take siding at La Crosse for No. 4.

MINNEAPOLIS	As 10.30 PM									

Passenger trains must not exceed maximum speed of 80 miles per hour, other trains 40 miles per hour.

Two main tracks are in use between St. Paul and Minneapolis. Automatic Block System is in use between Chestnut St. and South Minneapolis. Automatic signals located as follows will be used also as train order signals: South Minneapolis and Signal Tower Eastward; Chestnut St. and Signal Tower Westward.

Nos. 5 and 101 will not register at St. Paul and will get Clearance Form A at Chestnut Street. Trains not starting or terminating at South Minneapolis will not be required to register at that register station. Operators South Minneapolis will transfer from their block sheet to train register proper register information for trains, engines and yard crews that start their trips from that station.
